RE: Organizational changes to the Benefit Services Section

It's time for another update about an organizational change in the Workers' Compensation Division's Benefit Services Section. Both **Jake Forrey** and **Kerry King** have moved on to other opportunities. Kerry has moved to our Field Audit Unit, while Jake has left the department. We wish them both well.

Mike Clampitt has joined the Employment Services Team (EST) as a re-employment specialist in the Preferred Worker Program.

Tim Kessel, 503-947-7576, has graciously agreed to become the resource person for the Employer-at-Injury Program (EAIP) – previously one of Jake's responsibilities.

As assistant manager of the Benefit Services Section, I will continue to supervise EST staff and directly oversee the Preferred Worker Program and administrative vocational dispute resolution.

If you need information or assistance with return-to-work programs, please contact me or any EST member.

Sincerely,

Rae Howe, Assistant Manager
Benefit Services Section
Workers' Compensation Division
