**To:** Workers' Compensation Division stakeholders and customers

**Subject:** New phone number and fax number for the Medical Section

## **INDUSTRY NOTICE**

The Workers' Compensation Division's Medical Section now has a new phone number and fax number as follows:

**Phone:** 503-947-7606

**Fax:** 503-947-7629

We are switching over to these new numbers immediately, but the old numbers will still be active through April 2011. However, to help us improve our efficiency we ask that you add the Medical Section's new numbers to your new or reprinted forms and correspondences and that you begin using the new numbers when and where possible.

Please note this change *does not* affect other sections of the Workers' Compensation Division. The Workers' Compensation Division's main general information number is still 503-947-7810 or 800-452-0288 (toll-free).

If you have any questions about this industry notice, please contact the Medical Resolution Team at 503-947-7606 or send e-mail to [WCD.medicalquestions@state.or.us](mailto:WCD.medicalquestions@state.or.us)
