(2) The Preferred Worker Program encourages the reemployment of workers whose on-the-job injuries have resulted in permanent disabilities and who cannot return to the employment they had at the time of injury, [or] claim for aggravation, or own motion opening under ORS 656.278, because of those disabilities by providing incentives to employers.

For the purpose of these rules, unless the context requires otherwise:

(1) "Administrator" means the Administrator of the Workers' Compensation Division, or the administrator's delegate for the matter.

(2) "Client" means a person to whom workers are provided under contract and for a fee on a temporary or leased basis.

(3) "Director" means the Director of the Department of Consumer and Business Services, or the director's delegate for the matter.

(4) "Disability" means permanent physical or mental restriction(s) or limitation(s) caused by an accepted disabling Oregon workers' compensation claim which limits the worker from performing one or more of the worker's regular job duties.

(7) "Employer[-]at[-]injury" means the organization in whose employ the worker sustained the injury or occupational disease.

(8) "Exceptional disability" means a disability equal to or greater than the complete loss, or loss of use, of both legs. Exceptional disability also includes brain injury which results in impairment equal to or greater than a Class III as defined in OAR 436-035. The division shall determine whether a worker has an exceptional disability based upon the combined effects of all of the worker's Oregon compensable injuries resulting in permanent disability.

(9) "Fund" means the Workers' Benefit Fund.

(10) "Hire date" means the date the worker started work for the employer in the employment for which benefits are requested[.] **if the request for Preferred Worker Program assistance is sent to the division prior to or within 30 calendar days after the start-work**

date. In calculating the 30-day period under this section, the hire date is not included, and if the 30th day falls on a Saturday, Sunday, or legal holiday, the next business day will be considered the end of the 30-day period. [When a worker returns to regular or substantially similar employment where worksite modifications are required, the hire date means the date that all modifications are in place and verified by a representative of the division.] **The hire date is 12:01 AM the day following the request if the request is sent to the division more than 30 days after the start-work date.**

(11) "Premium" means premium which results from a calculation which takes payroll multiplied by applicable rates of the employer's individual insurer multiplied by the employer's experience rating modification less any discounts, assessments, surcharges, or taxes.

(12) "Regular employment" means the employment the worker held at the time of the injury, [or] claim for aggravation, **or own motion opening under ORS 656.278.** Regular employment which has been substantially modified as described in OAR 436-110-0380 is not regular employment for purposes of the Preferred Worker Program.

End-of-the-year and other one-time bonuses paid at the employer's discretion, and safety bonuses, are not reimbursable. Wages do not include tips, discretionary bonuses, paid leave cash-outs, employee insurance or benefits programs, employee discounts, or other forms of remuneration not included as part of the worker's gross wages. Benefits paid as wages or cash, even if reported as part of a worker's gross wages, are not subject to reimbursement.

(14) "Worksite" means a primary work area which is in Oregon, already constructed and available for a worker to use to perform the required job duties. The worksite may be the employer's, worker's, or worker leasing company's client's premises, property, and equipment used to conduct business under the employer's or client's direction and control. A worksite may include a worker's personal property or vehicle if required to perform the job. If the "worksite" is mobile, it must be available in Oregon for inspection and modification.

436-110-0290 Employer at Injury Use of the Preferred Worker Program

The conditions for the employer at injury to activate the Preferred Worker Program include:

(1) The employer at injury must request Preferred Worker Program assistance from the division within 180 days of the worker's claim closure date, with the following exception. When Worksite Modifications are provided, and the modifications are completed and verified by the division more than 150 days after the worker's claim-closure date, the employer at injury will have 30 calendar days from the verification date to request other assistance.

(2) In calculating the 180-day period under this rule, the claim closure date will not be included, and if the 180th day falls on a Saturday, Sunday, or legal holiday, the next business day will be considered the end of the 180-day period.

(3) The employment for which benefits are requested must be within the worker's injury-caused restrictions, unless Worksite Modifications are requested to comply with this section. In this case no other Preferred Worker Program benefits will be approved until all the modifications are in place and verified by a representative of the division.

(4) The worker must agree to accept the new or modified regular job in writing. The job offer must include:

(b) Wage and hours;

(c) Job site location; and

(6) All other provisions under OAR 436-110 apply unless otherwise indicated.

(1) The eligibility requirements for an employer, except as provided in OAR 436-110-0345(1) for Obtained Employment Purchases, are:

(a) The employer has and maintains Oregon workers' compensation insurance coverage;

(b) The employer complies with the Oregon Workers' Compensation Law;

(c) The employer must offer or provide employment to an eligible Preferred Worker who is a subject Oregon worker [pursuant] **according** to ORS 656.027;

(d) If the employer is a worker leasing company, it must be licensed with the division; and

[If the latest opening is a new condition opening, the entire claim will be considered for the purpose of eligibility; and] **If the worker is not eligible under the most recent disabling claim or claim opening, eligibility may be based on the most recent disabling claim closure where injury-caused permanent restrictions prevented the worker from return to regular employment. If the worker was previously found eligible under that claim, the worker will not be eligible again on that claim closure. Subsequent eligibility determination will be based on claim openings that occur after the date that the most recent Preferred Worker Identification Card is issued; and**

(c) Medical documentation indicates permanent disability exists as a result of the injury or disease, whether or not an order has been issued awarding permanent disability.

**DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
PREFERRED WORKER PROGRAM**

(3) A worker may not use Preferred Worker benefits for self-employment unless the injury which gave rise to the worker's eligibility for the Preferred Worker Program occurred in the course and scope of self-employment. In that case, the worker may use the benefits to return to the same self-employment or for employment other than self-employment.

(4) A worker **or employer-at-injury** may not use Preferred Worker benefits, except Worksite Modification, for regular employment or substantially similar employment except as specified in OAR 436-110-0380.

[h] **(g)** The employer does not maintain Oregon workers' compensation insurance coverage, except as provided in OAR 436-110-0345(1) for Obtained Employment Purchases; [or]

(h) The current Preferred Worker Identification Card expires without being activated, with the following exception. If the worker's card expired and the worker's job modification is determined to be "substantial" under OAR 436-110-0380, the worker can activate Premium Exemption within 30 calendar days from the date the division determines the modification is "substantial," unless any of subsections (a) through (f) apply; or

(i) The current Preferred Worker Eligibility Card expires, with the following exception. [i] An action by the employer or worker that warrants a sanction under OAR 436-110-0900.]

(6) If there is an active *Preferred Worker Program Agreement*, the division will not end Preferred Worker Program eligibility until termination of the agreement if a Disputed Claim Settlement [pursuant] **according** to ORS 656.289 settles that portion of the claim from which eligibility arose or the claim is subsequently denied [pursuant] **according** to ORS 656.262. **Under**

an employer-at-injury activated agreement Premium Exemption ends when the job ends, or three years from the effective date of Premium Exemption, whichever occurs first.

Under a worker-activated agreement, Premium Exemption ends either at the expiration date shown on the *Preferred Worker Eligibility* [e]Card or when the job ends, whichever occurs first. When this occurs, the division will issue written notification to the worker **if the assistance was worker activated.** The worker must notify all affected parties. If the job ends before the expiration date shown on the card, the Preferred Worker card must be surrendered to the division. **If the assistance was employer activated, the division will issue written notification to the employer.**

(7) The division retains the right to reinstate Preferred Worker Program eligibility if eligibility was ended prematurely or in error, or the employer has reinstated or obtained workers' compensation insurance coverage.

436-110-0320 Preferred Worker Cards

This rule does not apply to employer-activated assistance.

(1) The division may issue two types of Preferred Worker cards to eligible workers. The cards identify the worker as being eligible to offer an employer Preferred Worker Program assistance. Conditions for using the Preferred Worker cards include:

(a) A worker can have only one valid Preferred Worker card at a time;

(b) A Preferred Worker card is valid for three years from the date of issue. The three-year period cannot be interrupted or extended; and

(c) A Preferred Worker card may be reissued upon loss of the original card during and for the three-year period the original card was issued.

(2) The first card issued is a *Preferred Worker Identification Card*. The worker and employer use this card to start Premium Exemption by completing the card and returning it to the division. When worker eligibility criteria are met, the division issues this card as follows:

(a) Automatically at the time of claim closure based upon insurer submission of Preferred Worker information as specified in OAR 436-110-0240(5);

(b) Prior to claim closure when the worker has available, immediate employment with an

employer who meets the eligibility criteria under OAR 436-110-0310(1). Workers or their representatives may contact the division directly to request an eligibility determination and a Preferred Worker card;

(c) When notified by the worker or their representative that there is a claim closure by a Claim Disposition Agreement, a Board's Own Motion or insurer's own motion;

(d) Upon request by the worker or their representative any time after claim closure; or

(e) If, as a result of a new claim or claim reopening, a Preferred Worker meets the Preferred Worker Program eligibility criteria, the division shall issue a new *Preferred Worker Identification Card*. The later card shall be used for subsequent benefits.

(3) The second card issued is the *Preferred Worker Eligibility Card*. The division sends the Preferred Worker this card upon approval of Premium Exemption. This card shows the three-year Premium Exemption period. The worker may offer other employers Preferred Worker benefits for the remainder of the time shown on this card.

(4) The division may inactivate a Preferred Worker card if

(a) The Preferred Worker card was issued in error; or

(b) Any reason for ending Preferred Worker Program eligibility as specified in OAR 436-110-0310(5) applies.

(5) If the division finds that a worker who has requested a Preferred Worker card is ineligible, the division shall notify the worker in writing. Such notice shall give the basis for the decision, the relevant rule(s), and the worker's appeal rights as given in OAR 436-110-0007.

(2) Premium Exemption must be activated in order to use Claim Cost Reimbursement and Wage Subsidy **unless OAR 436-110-0310(5)(i) applies**. Requirements regarding Premium Exemption and Obtained Employment Purchases are provided in OAR 436-110-[0345(5)] **0346 and OAR 436-110-0347**.

(3) If the division does not approve Premium Exemption, the division will notify the party who requested the assistance in writing. Such notice will provide the basis for the decision, the relevant rule(s), and the appeal rights as given in OAR 436-110-0007.

(4) Upon approval of Premium Exemption, the division will issue a Notice of Premium Exemption to the employer, employer's insurer, and the insurer of the employer at injury.

(5) If a worker covered under Premium Exemption incurs a compensable injury or occupational disease during the Premium Exemption period, the employer must notify its insurer of the injury. If the employer fails to note the Preferred Worker status when the Form 801 was filed with the insurer, the employer must notify the insurer as soon as possible that the injury or disease was incurred by a Preferred Worker.

[(3) Premium Exemption is activated as follows:

(a) When a worker issued a *Preferred Worker Identification Card* accepts employment with Premium Exemption requested, the worker and employer shall complete the *Preferred Worker Identification Card*. The card must be completed by the worker and the employer and sent to the division within 90 days of the worker's hire date. Upon division approval, Premium Exemption will begin on the hire date;

(b) When a potentially eligible worker without a *Preferred Worker Identification Card* accepts employment with Premium Exemption requested, the worker shall send a written request to the division, or call the division, within 90 days of the worker's hire date. Upon the division determining the worker eligible as specified in OAR 436-110-0310, the division will issue a *Preferred Worker Identification Card*. The card must be completed by the worker and employer and sent to the division within 90 days of the date of issue. Premium Exemption will begin on the hire date as defined in OAR 436-110-0005;

(c) If a worker returns to regular or substantially similar employment, the job for which Preferred Worker benefits are requested must meet "substantial modification" criteria as determined by the division in accordance with OAR 436-110-0380. The *Preferred Worker Identification Card* must be completed by the worker and employer and sent to the division within 90 days of the date the division determines the job to be substantially modified. The worker will be notified of the determination date. Upon division approval, Premium Exemption will begin on the hire date as defined in OAR 436-110-0005; and

(d) In calculating the 90-day period under this section, the hire date will not be included, and if the 90th day falls on a Saturday, Sunday, or legal holiday, the next business day will be considered the end of the 90-day period.

(4) If the division does not approve Premium Exemption, the division shall notify the worker and employer in writing. Such notice shall provide the basis for the decision, the relevant rule(s), and the appeal rights as given in OAR 436-110-0007.

(5) Upon approval of Premium Exemption, the division will issue the worker a *Preferred Worker Eligibility Card* which shows the Premium Exemption start and end dates. The division will also issue a *Notice of Premium Exemption* to the employer, the employer's insurer, and the insurer of the employer at injury.

(6) The worker may use a *Preferred Worker Eligibility Card* to obtain new employment and to provide subsequent employers with Premium Exemption for the remainder of the three-year Premium Exemption period.

(7) Employers who subsequently employ a Preferred Worker shall photocopy the *Preferred Worker Eligibility Card* as evidence of Premium Exemption, and distribute copies as follows:

- (a) Send one copy to their insurer as notice that a Preferred Worker is employed using Premium Exemption;
- (b) Keep one copy on file; and
- (c) Return the card to the worker.

(8) If a Preferred Worker incurs a compensable injury or occupational disease during the Premium Exemption period, the employer shall notify its insurer of the injury and either check the appropriate box on *Form 801* or write "Preferred Worker" in the left-hand margin of the form, and provide a copy of the worker's *Preferred Worker Eligibility Card*. If the employer fails to note the Preferred Worker status on *Form 801*, or fails to send a copy of the *Preferred Worker Eligibility Card*, the employer shall notify the insurer as soon as possible that the injury or disease was incurred by a Preferred Worker.]

(c) Reimbursable claims costs for denied claims include costs incurred up to the date of denial, but are limited to benefits the insurer is obligated to pay under ORS 656 and diagnostic tests, including insurer medical examinations necessary to determine compensability of the claim;

(d) The administrative cost factor to be applied to claim costs will be as published in *Bulletin 316*; and

(e) The claim shall not be used for ratemaking, individual employer rating, dividend calculations, or in any manner that would affect the employer's insurance premiums or premium assessments with the present or a future insurer. The insurer must be able to document that claim data will not affect the employer's rates or dividend.

(2) The insurer shall request Claim Cost Reimbursement as follows:

(a) All requests for reimbursement shall be made within one year of the quarter within which payment was made;

(b) Quarterly reimbursement requests must be in the format the director prescribes by bulletin; and

(g) Reimbursable Employer-at-Injury Program costs.

(4) Periodically, the division will audit the physical file of the insurer to validate the amount reimbursed. Reimbursed amounts shall be refunded to the division and, as applicable, future reimbursements denied if, upon audit, any of the following is found to apply:

(a) Reimbursement has been made for any of the items specified in section (3) of this rule;

(b) If claim acceptance as a new injury rather than an aggravation is questionable and the rationale for acceptance has not been reasonably documented;

(c) The separate payments of compensation have not been documented;

(d) The insurer included claim costs in any dividend or retrospective rating or experience rating calculations;

(e) The insurer is unable to provide applicable records relating to experience rating, retrospective rating, or dividend calculations at the time of audit or within 14 working days thereafter.

(5) If the conditions described in subsections (4)(a) through (e) of this rule are corrected and all other criteria of the rules are met, eligibility for reimbursement may be reinstated. 436-110-0335 Wage Subsidy General Provisions

[(1)] Wage Subsidy provides an employer with partial reimbursement of a worker's gross wages for a specified period. Wage Subsidy benefits are subject to the following conditions:

(1) Premium exemption must be activated to use Wage Subsidy, unless OAR 436-110-0310(5)(i) applies;

[(a)] **(2)** A Wage Subsidy is limited to a duration of 183 calendar days and a monthly reimbursement rate of 50 percent, except for a worker with an exceptional disability as defined in OAR 436-110-0005. For a worker with an exceptional disability, the Wage Subsidy duration is limited to 365 calendar days and a monthly reimbursement rate of 75 percent;

[(b)] **(3)** A *Wage Subsidy Agreement* may be interrupted once for reasonable cause and extended to complete the *Wage Subsidy Agreement* on a whole workday basis. Reasonable cause includes, but is not limited to, personal or family illness, death in the worker's family, pregnancy of the worker or worker's spouse, a compensable injury to the worker, participation in an Employer-at-Injury Program, or layoff. A layoff must be a minimum of 10 consecutive work days. A period of time during which the employer is without workers' compensation insurance coverage is not "reasonable cause," and no extension will be granted;

[(c)] **(4)** A Preferred Worker's pay structure must be the same as the pay structure for other workers employed in similar jobs by the employer;

**DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
PREFERRED WORKER PROGRAM**

[(d)] **(5)** Wages subject to reimbursement must be within the prevailing wage range for that occupation. The prevailing wage range is determined by the following method:

[(A)] **(a)** First, examine the wages paid by the employer for other workers doing the same job;

[(B)] **(b)** If no other workers are doing the same job, a labor market survey of the local labor market may be conducted; and

[(C)] **(c)** If the labor market survey does not support the wage rate requested, the division will determine the wage subject to reimbursement;

[(e)] **(6)** Preferred Worker Program Wage Subsidies may not be combined with subsidies from other sources;

[(f) Except as otherwise provided in these rules, a Preferred Worker may use Wage Subsidy twice during an eligibility period, once with one employer and once with a different employer; and]

[(g)] **(7)** If the worker's employer changes during the *Wage Subsidy Agreement* period due to a sale of the business, incorporation, or merger, the agreement can be transferred to the new employer by an addendum to the agreement approved by the division as long as the worker's job remains the same and the new employer is eligible under OAR 436-110-0310[.];

(8) Upon approval of the *Wage Subsidy Agreement*, the division will send a copy of the agreement to the worker if it is worker activated, and will always send a copy of the agreement with a *Wage Subsidy Reimbursement Request* form to the employer;

(9) If the division does not approve the *Wage Subsidy Agreement*, the division will notify the party who made the request, in writing. Such notice will give the basis for the decision, the applicable rule(s), and the appeal rights as given in OAR 436-110-0007;

(10) The employer may request reimbursement of wages paid to the worker, based on the amount agreed to on the *Wage Subsidy Agreement* form or the amount paid to the worker, whichever is less. An employer may request reimbursement, interruption, or extension of a Wage Subsidy for a part of a day the worker worked, but the part of the day reimbursed or interrupted will be counted as a whole workday toward the total duration of the Wage Subsidy;

(11) Requests for reimbursement must not be submitted more frequently than once every two weeks. A completed and signed *Wage Subsidy Reimbursement Request* form must be submitted to the division with a copy of the worker's payroll records. The payroll record must state the dates (daily or weekly), hours, wage rate, and the worker's gross wage. Payroll records must be a legible copy and compiled in accordance with generally accepted accounting procedures; and

(12) All requests for reimbursement must be made within one year of the *Wage Subsidy Agreement* termination date.

[(2) A Wage Subsidy may be requested by a worker and employer and the employer reimbursed as follows:

(a) A Wage Subsidy Agreement must be completed and signed by the worker and employer and submitted to the division. The agreement must be sent to the division within 90 days of the worker's hire date, except when Premium Exemption is activated under OAR 436-110-0325(3)(b). In calculating the 90-day period, the hire date will not be included, and if the 90th day falls on a Saturday, Sunday, or legal

holiday, the next business day will be considered the end of the 90-day period. Upon division approval, the Wage Subsidy will begin on the worker's hire date;

(b) Upon approval of the Wage Subsidy Agreement, the division will send a copy of the Agreement to the worker and a copy of the agreement with a Wage Subsidy Reimbursement Request form to the employer;

(c) If the division does not approve the Wage Subsidy Agreement, the division shall notify the worker and employer in writing. Such notice shall give the basis for the decision, the applicable rule(s), and the appeal rights as given in OAR 436-110-0007;

(d) The employer may request reimbursement based on the wage agreed to on the Wage Subsidy Agreement form or the wage paid the worker, whichever is less. Wages subject to reimbursement must have been paid the worker. An employer may request reimbursement, interruption, or extension of a Wage Subsidy for a part of a day the worker worked, but the part of the day reimbursed or interrupted will be counted as a whole work day toward the total duration of the Wage Subsidy;

(e) Requests for reimbursement shall be made no more frequently than once every two weeks. A completed and signed Wage Subsidy Reimbursement Request form must be submitted to the division with a copy of the worker's payroll records. The payroll record shall state the dates (daily or weekly), hours, wage rate, and the worker's gross wage. Payroll records shall be a legible copy and compiled in accordance with generally accepted accounting procedures; and

436-110-0345 Obtained Employment Purchases – General Provisions

(1) An Obtained Employment Purchase is assistance necessary for a worker to accept a job or to continue employment within three years of the hire date. If the employer pays for the same assistance for other workers performing the same job, it does not qualify as an Obtained Employment Purchase. These purchases may be provided for a job with a non-subject employer in Oregon, as long as that employer complies with the appropriate workers' compensation law. All purchases become the worker's property upon employment in the job for which they are required.

(2) Obtained Employment Purchases are limited to:

(a) Tuition, books, and fees for instruction provided by an educational entity accredited or licensed by an appropriate body in order to update existing skills or to meet the requirements of an obtained job. Maximum reimbursement is \$1000;

(b) Temporary lodging, meals, and mileage to attend instruction when overnight travel is required. The cost of meals, lodging, public transportation, and use of a personal vehicle shall be reimbursed at the rate of reimbursement for State of Oregon classified employees as published in *Bulletin 112*. Lodging, meals, and mileage are limited to a combined period of one month, and the total maximum reimbursement is \$500;

(c) Tools and equipment mandatory for employment, such as starter sets. Purchases shall not include items the worker possesses, duplicate [w]Worksite [m]Modification items, or vehicles. Maximum reimbursement is \$2,000;

(d) Clothing required for the job, not including clothing the worker already possesses. Clothing does not include accessories such as jewelry, scarves, wallets, purses, or other items which are not basic clothing. Maximum reimbursement is \$400;

(e) Moving expenses for a job if the new worksite is in Oregon and more than 50 miles from the worker's primary residence. When the worker's permanent disability from the injury precludes the worker from commuting the required distance, moving expenses may be provided to move within 50 miles of the worker's primary residence or within the distance the worker commuted for work at claim opening. Moving expenses are limited to one use per eligibility. Reimbursement is limited to:

(A) The cost of moving household goods weighing not more than 10,000 pounds and reasonable costs of meals and lodging for the worker. The cost of meals, lodging, public transportation, and use of a personal vehicle shall be reimbursed at the rate of reimbursement for State of Oregon classified employees as published in *Bulletin 112*. Reimbursement of lodging and meals are limited to a maximum period of two weeks. Reimbursement of mileage for one personal vehicle is limited to a single one-way trip; and

(B) Rental allowance for the worker's primary residence limited to first month's rent as specified in the rental agreement, non-refundable deposit in an amount not to exceed the first month's rent, and a required credit check for that residence;

(f) Initiation fees, or back dues and one month's current dues, required by a labor union; and

(g) Occupational certification, licenses, and related testing costs, drug screen testing, physical examinations, or membership fees required for the job. Maximum reimbursement is \$500.

(3) Upon division approval, the division will send a copy of the agreement and, if applicable, a completed *Authorization for Payment* form or other instrument of payment.

(4) A worker, employer, vocational assistance provider, or insurer may request reimbursement by submitting to the division a legible copy of an invoice or receipt showing payment has been made for the item(s) purchased. Reimbursement will be made for only those items and costs approved and paid.

(5) If the division does not approve the Obtained Employment Purchase, the division will notify the party who requested the assistance in writing. Such notice will give the basis for the decision, the relevant rule(s), and the appeal rights as given in OAR 436-110-0007.

(6) Costs of Obtained Employment Purchases may be paid by reimbursement, by an *Authorization for Payment*, or by other instrument of payment approved by the director.

(7) The division will not purchase directly or otherwise assume responsibility for Obtained Employment Purchases.

(8) Reimbursed costs will not be charged by the insurer to the employer as claim costs or by any other means.

(9) All requests for reimbursement must be made within one year of the *Obtained Employment Purchase Agreement* end date.

(10) Once the division provides an Obtained Employment Purchase item, the division will not replace that item unless the item was stolen, or destroyed by nature or an act of God, or in the case of clothing for new employment, the clothing previously provided is no longer usable. The loss must be uninsured and the division may require a police report to verify the loss.

[(3) Conditions for the use of Obtained Employment Purchases are as follows:

(a) Except for moving expenses, the worker and employer must submit a completed *Obtained Employment Purchase Agreement* listing item(s) that are required of all workers performing the job for which the worker is employed. If no other workers are performing the same job, the division may conduct a local labor market survey to determine whether similar employers require the items to perform the job. If the labor market survey does not support the Obtained Employment Purchase item(s) requested, the division will determine the appropriate Obtained Employment Purchase item(s);

(b) Once the division provides an Obtained Employment Purchase item, the division will not replace that item unless the item was stolen or destroyed by nature or an act of God or, in the case of clothing for new employment, the clothing previously provided is no longer usable. The loss must be uninsured and the division may require a police report to verify the loss;

(c) Except as otherwise provided in these rules, a Preferred Worker may use each Obtained Employment Purchase category twice during a period of eligibility, once with one employer and once with a different employer; and

(d) A Preferred Worker who is receiving return-to-work follow-up services under OAR 436-120 may be eligible for Obtained Employment Purchases. This is the only condition under which a worker receiving vocational assistance under OAR 436-120 may be eligible for these purchases.

(a) The worker shall call or write the division directly for assistance in receiving Obtained Employment Purchases; and

(b) The *Obtained Employment Purchase Agreement* form must be completed and signed by the worker and employer and submitted to the division. If the request is for moving expenses only, the employer's signature is not required.

(b) If purchase(s) are necessary prior to the worker's hire date and Premium Exemption has previously been activated, the employer may be required to submit a letter of intent to hire along with the *Obtained Employment Purchase Agreement*;

(c) Subsections (a) and (b) of this section do not apply to workers receiving vocational assistance under OAR 436-120. These workers may only request Obtained Employment Purchases for purchases made after the worker's hire date; or

(d) If Obtained Employment Purchases are to be used with a non-subject employer in Oregon, Premium Exemption is not activated. The employer must comply with the appropriate workers' compensation law.

(6) Upon division approval, the division will send a copy of the agreement and, if applicable, a completed *Authorization for Payment* form or other instrument of payment.

(7) A worker, employer, vocational assistance provider, or insurer may request reimbursement by submitting to the division a legible copy of an invoice or receipt showing payment has been made for the item(s) purchased. Reimbursement will be made for only those items and costs approved and paid.
