436-050-0015 Suspension and Revocation of Authorization to Issue Guaranty Contracts

- (1) Pursuant to ORS 656.447, the director may suspend or revoke the insurer's authority to issue guaranty contracts upon a determination that the insurer has failed to comply with its obligations under such contract or that it has failed to comply with the rules or orders of the director.
- (2) For the purpose of this rule:
 - (a) "Suspension" and its variations means a stopping by the director of the insurer's authority to issue new guaranty contracts for a specified period of time.
 - (b) "Revocation" and its variations means a permanent revocation by the director of an insurer's authority to issue guaranty contracts.
 - (c) "Show-cause hearing" means an informal meeting with the director or designee in which the insurer shall be provided an opportunity to be heard and present evidence regarding any proposed orders by the director to suspend or revoke an insurer's authority to issue guaranty contracts.
- (3) Suspension or revocation under this rule will not be made until the insurer has been given notice and the opportunity to be heard through a show-cause hearing before the director and "show cause" why it should be permitted to continue to issue guaranty contracts.
- (4) A show-cause hearing may be held at any time the director finds that an insurer has failed to comply with its obligations under a guaranty contract or has failed to comply with rules or orders of the director.
- (5) Following a show-cause hearing, the director may rescind the proposed order if the insurer establishes to the director's satisfaction its ability and commitment to comply with ORS Chapter 656 and these rules.
- (6) A suspension may be in effect for a period of up to 18 months. A suspended insurer may continue to serve existing accounts and renew any existing policy, unless the policy lapses or is canceled during the period of suspension.
- (7) After 12 months of the suspension has elapsed, the division may audit the performance of the insurer. If the insurer is in compliance, the administrator may request the director to lift the suspension before the 18 months has elapsed. If the insurer is not in compliance, the administrator may request the director revoke the insurer's authority to issue guaranty contracts.
- (8) When an insurer's authority to issue guaranty contracts has been revoked, the insurer may serve an existing account only until the policy lapses, is canceled or until the next renewal date, whichever first occurs.
- (9) After a revocation of an insurer's authority to issue guaranty contracts has been in effect for five years or longer, it may petition the director to restore its authority by submitting a plan in the form prescribed by the director, demonstrating its ability and commitment to comply with the workers' compensation law, these rules and orders of the director.
- (10) Appeal of proposed and final orders of suspension and revocation issued under this rule may be made as provided in OAR 436-050-0008.

(1) An employer may cancel coverage with an insurer pursuant to ORS 656.423. An employer's cancellation of coverage with an insurer does not terminate a guaranty contract. Liability of an insurer under a guaranty contract or surety bond to an employer under this chapter is terminated by an insurer taking action pursuant to ORS 656.427.

(2) A guaranty contract terminated pursuant to ORS 656.427 may be reinstated provided the insurer submits notice to the director stating that the termination notice is being rescinded with no lapse in coverage. Notice under this section shall be in writing and include the name of the insurer,

legal name of the insured, insured's address, insured's telephone number, insurance policy number, and the insured employer's Federal Employer Identification Number (FEIN).

(3) Pursuant to ORS 656.427(5), an employer may give notice to the insurer seeking continued coverage. The notice must be given before the effective date of the insurer guaranty contract termination and must be in writing. The notice must at least include a statement that other coverage has not been obtained and that the employer intends to become insured under the plan as established in ORS 656.730. Further application by the employer is not required. Pursuant to ORS 656.427(5), the insurer so notified must then insure continuing coverage and may take the additional steps to transfer the risk to the plan.

(4) When there are two or more effective guaranty contracts on file with the director covering the same period, the insurer filing the most recent contract shall have all responsibility for processing claims of the employer for the period its guaranty contract is in effect.

436-050-0110 Notice of Insurer's Place of Business in State; Coverage Records Insurer Must Keep in Oregon

(1) Every insurer that is authorized to issue workers' compensation coverage to subject employers as required by ORS Chapter 656 shall give the director notice of the location, mailing address, telephone number, and any other contact information in this state where the insurer processes claims and keeps written records of claims and guaranty contracts as required by ORS 731.475. While the insurer may have more than one location in this state, the information provided to the director must reasonably lead an inquirer to a person who can respond to inquiries as to guaranty contract information and to access an in-state Oregon certified claims examiner who can respond within a reasonable time to specific claims processing inquiries. A response time of forty-eight (48) hours or less not including weekends or legal holidays would satisfy a reasonable expectation.

(2) Notice under section (1) of this rule shall be filed with the director within 30 days after the insurer becomes authorized and starts writing workers' compensation insurance policies for Oregon subject employers.

(3) If an insurer elects to use a service company to satisfy the purposes of ORS 731.475 with respect to all or any portion of its business, the insurer shall, prior to its effective date, file with the division a copy of the agreement between the insurer and each company, and shall give the division notice of the location and mailing address of each service company.

(4) For the purpose of this section, those activities conducted at designated in-state location(s) and by the authorized representative(s) of the insurer shall include, but not be limited to:

(a) Processing claims and responding to specific claims processing inquiries;

(b) Keeping of records in a written form, not necessarily original form, and making those records available upon request;

(c) Accommodating in-state periodic audits of the director; and

(d) Providing copies of guaranty contracts, related information, and responding to inquiries to resolve coverage issues.

(5) If its place of business or that of a service company elected in lieu of an in-state place of business is changed, the insurer shall notify the director of the new location, mailing address, telephone number, and any other contact information of the place of business at least 30 days prior to the effective date of the change.

(6) When an insurer with respect to any portion of its business changes service companies, changes from self-administration to a service company or from a service company to self-administration, the insurer shall notify the director of which claims, if any, will be transferred at least 10 days prior to the date of transfer. Notice to the director shall include:

(a) Contact information for both the sending processor and receiving processor of the claims to include a contact person, telephone number, mailing address, and physical address where the claims are to be processed; and

(b) A listing of the claims being transferred which identifies the sending processor's claim number, claimant name, claimant's social security number, and date of injury. The list should also include the employer's WCD number and WCD's claim number, if known.

(7) Records every insurer is required to keep in this state include all the written records of the insurer that show its insured employers have complied with ORS 656.017, including but not limited to the records described by OAR 436-050-0120.

(8) If a self-insured employer fails to comply with the requirements of this section, the employer's certification as a self-insured will be revoked. The employer will be given written notice of such revocation which will be effective 30 days from receipt of such notice. In lieu of an audited financial statement or annual report, a self-insured employer may file a financial statement certified by the employer that the financial statement is true, accurate and presents the employer's financial condition and results of operations as of the date of the statement, if the employer also:

(2) To ensure continuity of coverage, each self-insured employer shall submit an annual endorsement to their application for self-insurance in the form prescribed by the director. The endorsement shall be filed by March 1 of each year.

(3) Notwithstanding subsections (1)(a) and (b) of this rule or OAR 436-050-0160(5), the director may require an employer to submit an audited financial statement.

(4) The self-insured employer shall report claim loss data necessary by March 1 of each year for the purposes of experience rating modification, retrospective rating calculations and determining deposits.

(a) The director will, by bulletin, prescribe guidelines for self-insured employers and their authorized representatives to use in providing the required data.

(5) If a self-insured employer fails to comply with the requirements of sections (1), (2), or (4) of this rule, the director may impose any or all of the following sanctions:

(a) Require the self-insured employer to increase their deposit and premium assessments by 25%;

(b) Conduct an audit to obtain the necessary loss information at the self-insured employer's expense;

(c) Assess civil penalties for up to \$250 per day that the information is not provided beyond the deadline; or

(d) Revoke the employer's certification as a self-insured.

(6) To ensure each self-insured's claims are valued appropriately for use in deposit, experience rating, and retrospective rating calculations, the director will perform routine test audits. If a self-insured's total claims values are found to be 10 percent or more below the director's determined values, the current experience rating will be recalculated using the director's determined values and will be used in the security deposit and retrospective rating calculations. In addition, penalties may be assessed.
