

2025-26 WCIS Milestones/RFP Update

The Request for Proposal (RFP) for the Workers' Compensation Information System project closed on January 16th, 2026. The RFP was originally posted on November 5th, 2025, and generated strong interest from vendors. A pre-proposal conference was held on November 12th, 2025, with over twenty unique vendors participating.

In December, the project team responded to roughly 200 questions from vendors. Due to the high-level of interest in the proposal, DAS procurement and the WCD Modernization Project team made the decision to extend the response deadline to the 16th. After the close of the RFP, 10 proposals were submitted and are currently being reviewed by DAS procurement. Once this initial review is complete, the evaluation committee will begin scoring proposals.
