A response time of 48 hours or less, not including weekends or legal holidays, would satisfy a reasonable expectation.

The service agreement must:

(a) Be between the underwriting insurer and a service company that is incorporated in or authorized to do business in Oregon, and must not be between any other third parties;

(b) Identify the insurer by company name, or if multiple insurers related by ownership, by the name of the group if it includes all affiliates;

(c) Identify the service company by name;

(4) If the insurer's or its service company's place of business or contact information will change, the insurer must notify the director of the new location, mailing address, telephone number, and any other contact information at least 30 days before the effective date of the change.

(5) When an insurer changes claims processing locations, service companies, or self-administration, the insurer must provide at least 10 days prior notice to workers with open or active claims, their attorneys, and attending physicians. The notice must provide the name of a contact person, telephone number, and mailing address of the new claim processor. The insurer must also provide at least 10 days prior notice to the director of which claims will be transferred. The notice to the director must include:

(a) Contact information for both the sending processor and receiving processor of the claims to include a contact person, telephone number, mailing address, and physical address where the claims are to be processed;

 - (a) Processing and keeping complete records of claims for compensation;
 - (b) Responding to specific claims processing inquiries;
 - (c) Keeping records of payments of compensation;
 - (d) Keeping records, including records of claims processed by prior service companies, in a written form, not necessarily original form, and making those records available upon request; and

436-050-0165 Security Deposit Requirements

(1) For the purposes of this rule:

(a) "Employer" includes employer groups;

(b) "Self-insured employer" includes self-insured employer groups; and

(c) "ISLOC" means irrevocable standby letter of credit.

(2) A self-insured employer is required to provide a security deposit that is acceptable to the director, to establish proof of its financial ability, and to be qualified and certified as a self-insured employer or to be certified as a self-insured employer group. In accordance with ORS 656.407, a surety bond or an irrevocable standby letter of credit (ISLOC) may be accepted for the required security deposit if it complies with the following conditions and requirements:

(a) An ISLOC may be approved by the director as all or part of the security deposit. The director may approve the ISLOC if the issuing bank and the ISLOC meet the requirements of this rule:

**DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
EMPLOYER/INSURER COVERAGE RESPONSIBILITY**

(A) The ISLOC must be issued by or confirmed by an Oregon state chartered bank or a federally chartered bank from which funds will be immediately payable on demand. The bank issuing the ISLOC must, at the time of issuance, have a credit rating as set forth below:

(i) An "Aaa", "Aa", or "A" long term certificate of deposit (CD) rating in the current monthly edition of "Moody's Statistical Handbook" prepared by Moody's Investors Service Inc., New York; or

(ii) An "AAA", "AA" or "A" long term certificate of deposit (CD) rating in the current quarterly edition or monthly supplement of "Financial Institutions Ratings" prepared by Standard & Poors Corporation, New York.

(B) Federally chartered instrumentalities of the United States operating under authority of the Farm Credit Act of 1971 as amended, are acceptable without rating.

(C) An ISLOC issued by a bank that does not meet the credit rating set forth in paragraph (A) at the time of issuance will only be accepted with a confirming ISLOC issued by an Oregon state chartered bank or federally chartered bank meeting the credit criteria of paragraph (A). The confirming ISLOC must state that the confirming bank is primarily obligated to pay on demand the full amount of the ISLOC regardless of reimbursement from the bank whose ISLOC is being confirmed.

(D) The issuing bank must use the Irrevocable Standby Letter of Credit, Form 440-3640, issued by the director.

(E) The ISLOC will be automatically extended without amendment for an additional one (1) year from the expiry date, or any subsequent expiry date, unless, at least 60 days before the expiry date, the director is notified in writing by registered mail or overnight delivery, that the bank has elected not to extend the ISLOC for another period.

(F) If the issuing bank or any confirming bank is closed at the time of expiry of the ISLOC for any reason that would prevent delivery of a demand notice during its normal hours of operation, the ISLOC will be automatically extended for a period of 30 days commencing on the next day of operation.

(G) The ISLOC can be called immediately if:

(i) The self-insured employer has defaulted in payment of its workers' compensation liabilities or obligations, or in payments due to the director under ORS chapter 656;

(ii) The self-insured employer has filed for bankruptcy;

(iii) The self-insured employer has failed to renew or provide acceptable substitute security by fifteen (15) days prior to the expiry date of the ISLOC; or

(iv) The beneficiary has determined the existing security is deemed inadequate, that additional or replacement security must be provided by the self-insured employer, and that neither has been provided, notwithstanding written notice to the self-insured employer.

(H) The credit must be available by presentation of the beneficiary's draft drawn at sight on the issuing bank, payable within three business days, when accompanied by one of the statements contained in 436-050-0165(2)(a)(G) signed by the director of the Department of

**DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
EMPLOYER/INSURER COVERAGE RESPONSIBILITY**

Consumer and Business Services, or the administrator of the Workers' Compensation Division, or their designated authorized representative.

(I) The ISLOC is not subject to any qualifications or conditions by the issuing bank or confirming bank and is each bank's individual obligation, which is in no way contingent upon reimbursement.

(J) An ISLOC must include a statement that the funds provided by the ISLOC are not construed to be an asset of the self-insured employer and a statement that if legal proceedings are initiated by any party with respect to the payment of any ISLOC, it is agreed that such proceedings must be subject to the jurisdiction of Oregon courts and Oregon law.

(K) Payment of any amount under an ISLOC must be made only by wire transfer in the name of the "Department of Consumer and Business Services In Trust For [the legal name of the certified self-insured employer]" to a department account, with the State Treasurer, at a designated bank.

(L) An ISLOC is subject to the International Standby Practices 1998 (ISP98), ICC Publication No. 590, which is hereby incorporated by reference, and a reference to this publication must be included in the text of the ISLOC. ICC Publication 590 may be obtained from the International Chamber of Commerce website: <http://iccwbo.org/policy/banking/>.

(M) All bank charges for the ISLOC are for the account of the applicant.

(N) Any amendment to the ISLOC must be approved and accepted by the director before the amendment is effective.

(O) If a bank's rating subsequent to the issuance of the ISLOC falls below the acceptable rating level as set forth in paragraph (A), the self-insured employer must, within 60 days of the publication of the lower credit rating:

(i) Replace the ISLOC with a new ISLOC issued by an Oregon state chartered bank or with a federally chartered bank with an acceptable credit rating;

(ii) Confirm the ISLOC by an Oregon state chartered bank or a federally chartered bank that has an acceptable credit rating; or

(iii) Replace the ISLOC with a policy of insurance or a surety bond of equal amount that is approved by the director, as substitute security for the ISLOC, if the policy of insurance or surety bond covers all workers' compensation liabilities and obligations that would have been covered by the ISLOC.

(P) Each self-insured employer that submits an acceptable ISLOC as its security deposit, must furnish a memorandum of understanding with the ISLOC, on the department's Form 440-3529, that affirms the self-insured employer's acceptance of all of the following requirements:

(i) An ISLOC is furnished to the director instead of a surety bond or other forms of security that may be determined to be acceptable for certification as a self-insured employer or for continuing as a certified self-insured employer;

(ii) The self-insured employer understands the ISLOC will be automatically extended without amendment for an additional one (1) year from the expiry date, or any subsequent expiry

**DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
EMPLOYER/INSURER COVERAGE RESPONSIBILITY**

date, unless, at least 60 days before the expiry date, the director is notified in writing by the bank that the ISLOC will not be renewed;

(iii) The ISLOC may be replaced with an ISLOC or surety bond of equal amount or a policy of insurance that is accepted by the director as substitute security for the ISLOC, if the new ISLOC or surety bond or policy of insurance covers all workers' compensation liabilities and obligations that would have been covered by the ISLOC to be replaced;

(iv) The self-insured employer affirms that the ISLOC, in the amount required, is being offered with the understanding that the ISLOC can be called immediately, at the director's discretion, if the director receives notice that the ISLOC will not be renewed; if the self-insured employer fails to pay its workers' compensation liabilities, obligations, or payments due to the director under ORS chapter 656; or the self-insured employer files bankruptcy; or the self-insured employer fails to renew or provide acceptable substitute security by fifteen (15) days prior to the expiry date of the ISLOC; or the director has determined the existing security is deemed inadequate, that additional or replacement security must be provided by the self-insured employer and that neither has been provided, notwithstanding written notice to the self-insured employer; and

(v) If legal proceedings are initiated by any party with respect to payment of any ISLOC, then it is agreed that the proceedings will be subject to the jurisdiction of Oregon courts and application of Oregon law.

(b) A surety bond may be accepted by the director as a security deposit or substitute security deposit for an ISLOC, government securities, monies, or time deposits. A surety bond may be accepted as all or part of the security deposit. The director, in each particular case, will determine if the surety bond submitted is acceptable, if the issuing surety is acceptable, and if its language and format are acceptable.

(A) The surety bond must be issued by a surety company authorized to transact surety business in Oregon;

(B) Surety Bond Form 440-824 must be used for all surety bonds;

(C) Surety bonds submitted for the self-insured employer's security deposit must be continuous in form;

(D) Surety bonds may be terminated by the surety company by giving the director and the Principal written notice stating that on a date not less than thirty days after the date the notice is received by the director, such termination will be effective. Such termination in no way limits the liability of the Surety for subsequent defaults of the Principal's liability and/or obligations incurred under ORS chapter 656 prior to the effective date of such termination;

(E) Surety Bond Rider Form 440-1810 must be used for all department required increases or authorized decreases in the penal sum of the surety bond. The surety bond rider is not effective until it is accepted by the department;

(F) Surety bonds and all riders to the surety bonds must be executed by the surety company's attorney in fact and the attorney in fact's appointment and power of attorney must accompany all surety bonds and riders submitted. The power of attorney must authorize the

attorney in fact to execute the surety bond in the amount of the penal sum of the bond;

(G) The liability of a surety company under its surety bond may only be discharged in the event that:

(i) The Principal files acceptable substitute security as the security deposit that is accepted by the director as substitute security for the surety bond to be released, covering all past, present, existing, and potential liability of the Principal under ORS chapter 656 and covering all the Surety's liability under the surety bond to be released, in an amount required by the director; and

(ii) The surety bond is released as documented in writing from the director or the administrator of the Workers' Compensation Division, or their designated authorized representative.

(iii) A policy of insurance or an ISLOC of equal amount that is acceptable by the director may be accepted as substitute security for the surety bond if the policy of insurance or ISLOC covers all workers' compensation liabilities and obligations that would have been covered by the surety bond.

(H) The surety company or its parent must have and maintain an acceptable credit rating in accordance with the following:

(i) Standard and Poors Insurer Financial Strength Rating of A or better rating, or

(ii) A.M. Best Company, Financial Strength Rating of B+ or better rating.

(I) A surety bond must be replaced by the self-insured employer with an acceptable type of security deposit within 30 days after notice from the department that the Surety has been placed in conservatorship, is seized, or declares insolvency, or the current credit rating is below the ratings required in subsection (H).

(c) Government securities, certificates of deposit, or time deposit accounts that were accepted by the director as a self-insured employer's or a self-insured employer group's required security deposit prior to January 1, 2004, may remain as the security deposit until the maturity date of those investments. At that time, the government securities, certificates of deposit, or time deposit accounts pledged to the department as security deposits must be replaced by a surety bond or ISLOC acceptable to the director. A self-insured employer that has government securities, certificates of deposit, or time deposit accounts as all or part of its security deposit must complete a "Security Agreement and Notice to Intermediary," Form 440-4023, granting the department a security interest in and control over those financial assets.

(d) Government securities, certificates of deposit, or time deposit accounts will not be accepted as security deposits for certified self-insured employers who must increase their security deposit or for employers whose self-insurance certification was granted after January 1, 2004.

(d) Coverage may include aggregate excess insurance; and

(e) Coverage may include a deductible endorsement acceptable to the director.

(3) When an excess insurance policy is canceled by the excess insurer or the employer, a copy of such notice must be filed with the director 30 days prior to the effective date of cancellation.

(4) Changes in the self-insured retention level and policy limits of the excess insurance require prior approval of the director. The director may require a reduction in the self-insured retention level or an increase in the policy limits. Those items considered in determining and approving the retention and limitation levels of the excess insurance will be the employer's:

(a) Financial status;

(b) Risk and exposure;

(c) Claim history; and

(d) The amount of the required security deposit.

(5) A self-insured employer will be allowed a period, not to exceed 30 days, within which to comply with an order of the director to the employer to reduce the self-insured retention level or increase the policy limitation or amounts and limits of liability of the excess insurance.

(6) Excess insurance obtained under this section does not relieve any self-insured employer from full responsibility for claims processing and the payment of compensation required under ORS chapter 656 and these rules. Regardless of the types and amounts of excess coverage a self-insured employer must not transfer claims to the excess insurer(s) for processing.

(7) If a self-insured employer does not comply with the requirements of this section, the

employer's certification as a self-insured will be revoked. The employer will be given written notice of such revocation which will be effective 30 days from receipt of the notice. 436-050-0175 Annual Reporting Requirements

(1) To determine the financial status of a self-insured employer and to evaluate the employer's continuity of operation, a self-insured employer must file annually with the director an audited financial statement or annual report with audited financial statement, including SEC Form 10K if issued, for the just completed fiscal year. A self-insured employer that is not a municipality must make the filing within 120 days of the fiscal year end and a self-insured employer that is a municipality must make the filing within 180 days of the fiscal year end. All financial statements and annual financial reports filed, as required by this section, will be retained by the director for a period of at least three years. In lieu of an audited financial statement or annual report, a self-insured employer may file a financial statement certified by the employer that the financial statement is true and accurate and presents the employer's financial condition and results of operations as of the date of the statement.

(2) Notwithstanding section (1) of this rule, the director may require an employer to submit an audited financial statement if the certified financial statement submitted is insufficient to evaluate the employer's financial status.

(3) The self-insured employer must report claim loss data described in Bulletin 209 by March 1 of each year for the purposes of experience rating modification, retrospective rating calculations, and determining deposits.

(a) The report must be certified to be true and accurate by an authorized representative of the self-insured employer, and must include:

(A) A report of losses for each year in the experience rating period. The report must cover all claims incurred during the reporting period and must be valued as of January 1 of the current year. Reports must include:

(i) Contract medical expenses;

(ii) Total maximum medical reimbursement amount;

(iii) Number of claims for which the maximum medical reimbursement amount is claimed;

(iv) For claims with incurred losses of \$10,000 or less, total paid, outstanding reserves, and total incurred losses;

(v) Number of claims with incurred losses of \$10,000 or less; and

(vi) For each claim with incurred losses exceeding \$10,000, worker's name, date of injury, claim number, total paid, outstanding reserves, and total incurred losses. Claims must be

listed in alphabetical order.

(B) A report of losses covering the self-insured period prior to the experience rating period. The report must list all open claims and must be valued as of January 1 of the current year. The report must include:

- (i) The worker's name, listed in alphabetical order;
- (ii) Date of injury;
- (iii) Claim number;
- (iv) Total paid;
- (v) Outstanding reserves; and
- (vi) Total incurred losses.

(C) Identification of claims involving catastrophes, Workers with Disabilities Program, permanent total disability or fatal benefits, third party recoveries, and claims where the total incurred has or is expected to exceed the self-insured retention of the self-insured employer's excess insurance policy.

(D) The total annual paid losses for the previous four fiscal years valued as of January 1 of the current year.

(b) Bulletin 209 provides guidelines for self-insured employers and their authorized representatives to use in submitting the required data.

(c) Each self-insured city or county that is exempted from the security deposit requirements under ORS 656.407(3) and OAR 436-050-0185 must, in addition to the above, provide the procedures, methods, and criteria used in the process of determining the amount of their actuarially sound workers' compensation loss fund, including procedures for determining the amount for injuries incurred but not reported.

(4) Notwithstanding section (3) of this rule, the director may require a self-insured employer to submit claim loss data more frequently if the nature of the self-insured employer's business has changed since the last annual loss report for reasons including, but not limited to, mergers or acquisitions, changes in employment level, nature of employment, or incurred claims costs.

(5) If a self-insured employer fails to comply with the requirements of sections (1), (2), (3), or (4) of this rule, the director may impose any or all of the following sanctions:

(a) Require the self-insured employer to increase its deposit and premium assessments by 25%;

(b) Conduct an audit to obtain the necessary loss information at the self-insured employer's expense;

(c) Assess civil penalties of up to \$250 per day that the information is not provided beyond the deadline; or

(d) Revoke the employer's certification as self-insured.

**DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION

(6) To ensure each self-insured employer's claims are valued appropriately for use in deposit, experience rating, and retrospective rating calculations, the director will perform routine test audits. If a self-insured employer's total claims values are found to be 10 percent or more below the director's determined values, the current experience rating will be recalculated using the director's determined values and will be used in the security deposit and retrospective rating calculations. In addition, penalties may be assessed.

436-050-0180 Determination of Amount of Self-Insured Employer's Deposit; Effective Date of Order to Increase Deposit

(1) The deposit a self-insured employer is required by ORS 656.407 to maintain with the director must be an amount not less than the greater of:

(a) \$100,000; or

(b) Future claim liability, including losses incurred but not reported (IBNR), a claims processing administrative cost, and the anticipated assessments payable to the director for the employer's next fiscal year; or

(c) The annual incurred losses for the self-insured's last fiscal year, including IBNR, a claims processing administrative cost, and anticipated assessments payable to the director for the employer's next fiscal year.

(2) Notwithstanding section (1) of this rule, if the employer is applying for self-insurance, the amount of the deposit must not be less than the greater of:

(a) The anticipated assessments payable to the director for the employer's next fiscal year, plus an amount equal to 65 percent of the annual premium the employer would pay if carrier-insured using the applicable occupational base rate premium, as such rate is applied to the anticipated payroll of the employer's Oregon operations for the employer's next fiscal year; or

(b) \$300,000 plus \$30,000 additional for each \$100,000 the employer's net worth is below \$2 million; or

(c) The amount of the approved self-insured retention level for the employer's excess workers' compensation insurance.

(3) In determining the amount of deposit the director will take into consideration:

(a) The financial ability of the employer to pay compensation and other payments due;

(b) The employer's probable continuity of operation;

(c) Retention and limitation levels of the employer's excess insurance in relation to the employer's financial status;

(d) Changes in the employer's business including, but not limited to, mergers or acquisitions, changes in employment level, nature of employment, incurred claims costs, or material growth in self-insured exposure; and

(e) The balance of the Self-Insured Employers Adjustment Reserve.

(4) Assessments payable to the director referred to in this section include moneys and assessments due under ORS 656.506, 656.612, and 656.614.

(5) A self-insured employer will be allowed a period, not to exceed 30 days, within which to comply with an order of the director to the employer to increase the amount of its deposit.

(6) "Claims processing administrative cost" will be determined by developing a percentage rate to be applied against the employer's unpaid losses. The rate will be based on the information contained in Schedule P, Part ID of the Annual Statement for the previous calendar year as reported to the Insurance Commissioner by SAIF Corporation and the 20 private insurers who had the highest earned premium reported for the preceding calendar year. The rate will be computed annually to be effective for the subsequent fiscal year. The rate will be 105 percent of the median of ratios determined as follows for each of these insurers:

(a) "Loss expenses unpaid" for losses incurred in the latest eight years, divided by

(b) "Losses unpaid" for losses incurred in the latest eight years.

(7) "Incurred but not reported" (IBNR) will be calculated by applying a loss development factor against the employer's annual paid losses. The loss development factor will be calculated annually by the director. An IBNR may be included in the security deposit calculation when the director identifies factors including, but not limited to, a decrease in the self-insured employer's credit rating, a negative net worth, negative cash flow, high debt-to-equity ratio, or material growth in self-insured exposure.

436-050-0185 Deposit Exemption for Self-Insured Cities and Counties, Qualifications, Application Procedures, Conditions and Requirements, Revocation and Requalification

(1) A self-insured city or county may apply to be exempt from the security deposit requirements of ORS 656.407(2). Under ORS 656.407(3), the requirements to qualify for exemption are as follows:

(a) The city or county must be a certified self-insured employer, not a member of a self-insured employer group, in compliance with ORS 656.407(2) and OAR 436-050-0180 as an independently self-insured employer for the three consecutive years immediately prior to applying for the exemption; and

(b) The city or county must have in effect a workers' compensation loss reserve account that is actuarially sound and that is adequately funded as determined by the annual audit under ORS 297.405 to 297.740 to pay all compensation to injured workers and amounts due the director under ORS chapter 656. The workers' compensation loss reserve account must also be dedicated to and expended only for payment of compensation and amounts due the director by the city or county under ORS chapter 656.

(2) A written application requesting exemption from ORS 656.407(2) must be submitted to the director no later than 45 days prior to the date the exemption is desired to become

effective. The application must include the following supporting documentation for review and approval:

(a) A copy of the city's or county's most recent annual audit as filed with the Secretary of State under ORS 297.405 to 297.740 that identifies the actuarially sound funded amount in the dedicated workers' compensation loss reserve if not previously filed as required by OAR 436-050-0175(1);

(b) A copy of the city's or county's current fiscal year's approved budget that states the budgeted amount for the funded workers' compensation loss reserve account;

(c) A resolution or ordinance passed by the city's or county's governing body that establishes an actuarially sound and adequately funded workers' compensation loss reserve account that dedicates the workers' compensation loss reserve account to and limits expenditures to only the payment of compensation and amounts due the director under ORS chapter 656. The resolution must also include the director's first lien and priority rights to the full amount of the workers' compensation loss reserve account required to pay the present discounted value of all present and future claims under ORS chapter 656; and

(d) A statement giving the amount of the current reserves for present and future liabilities, the amount funded in the workers' compensation loss reserve account, the procedures, methods, and criteria used in the process of determining the amount funded in their actuarially sound workers' compensation loss fund, including procedures for determining the amount for injuries incurred but not reported. The statement must include the city's or county's certification that the loss reserve account is actuarially sound and adequately funded if an actuarial study is not available.

(3) Within 45 days of receipt of all information required by section (2) of this rule, the director will review the application and supporting documentation and notify the city or county that the request for exemption under ORS 656.407(3) is approved or denied.

(a) If denied, the notice will provide the reasons for the denial, any requirements for reconsideration, and the right to administrative review as provided by OAR 436-050-0008.

(b) If approved, the notice will include:

(A) The confirmation of the effective date of exemption;

(B) Authorization for cancellation of any surety bond or ISLOC held as security under ORS 656.407(2) and OAR 436-050-0180; and

(C) Procedures for release of any government securities or time deposits held as security under ORS 656.407(2) and OAR 436-050-0180.

(4) Probable cause to believe the workers' compensation loss reserve account is not actuarially sound includes but is not limited to the annual audited financial statement under ORS 297.405 to 297.740 not containing a statement by the auditor that the workers' compensation loss reserve account is adequately funded, or containing a disclaimer regarding the auditor's qualifications or ability to determine adequacy of the loss reserve account.

(5) A city or county that has been exempted from ORS 656.407(2) and desires to terminate its self-insurance certification or elects to discontinue maintaining an actuarially sound

and adequately funded workers' compensation loss reserve must:

(a) Submit a written request to the director at least 60 days prior to the desired effective date the self-insured certification is requested to be terminated or 60 days prior to the effective date that the qualifying workers' compensation loss reserve account is to be discontinued;

(b) If the self-insured certification is to be terminated, the request for termination must comply with OAR 436-050-0200. Prior to the effective date of termination the city or county must provide a security deposit, as required by the director, in an amount determined under OAR 436-050-0180 and ORS 656.443; and

(c) If the city or county desires to remain self-insured, the city or county must requalify for self-insurance certification by depositing, prior to the date the qualifying workers' compensation loss reserve account is to be discontinued, a security deposit as required by the director under ORS 656.407(2) and OAR 436-050-0180. Under ORS 656.407(3)(e) failure to deposit the required security deposit with the director prior to the date of discontinuance of the qualifying workers' compensation loss reserve account will cause the city's or county's self-insurance certification to be automatically revoked as of that date.

for certification. The employer may not have at any one time more than three locations where claims are processed or records are maintained.

(2) Notice under section (1) of this rule must include contact information for a designated person or position within the company who will assure payment of penalties and resolution of collections issues resulting from orders issued by the director.

(3) With the approval of the director, a self-insured employer may use one or more service companies as authorized by ORS 656.455 instead of establishing its own place of business in this state. To obtain approval or to change or add service locations, the employer must file with the director a copy of the agreement entered into between the employer and each company, and must give the director notice of the location, mailing address, telephone number, and any other contact information of each service company.

(4) If a self-insured employer's or its service company's place of business or contact information will change, the self insured employer must notify the director of the new location, mailing address, telephone number, and any other contact information 30 days before the effective date of the change.

(B) Verification of whether the claims to be transferred include closed claims; and

(C) A listing of the claims being transferred that identifies the sending processor's claim number, claimant name, and date of injury.

(6) For the purpose of this rule, those activities conducted at designated in-state location(s) and by the authorized representative(s) of the self-insured employer must include, but need not be limited to:

(a) Processing and keeping complete records of claims for compensation;

(b) Responding to specific claims processing inquiries;

(c) Keeping records of payments for compensation;

(d) Keeping records, including records of claims processed by prior service companies, in a written form, not necessarily original form, and making those records available upon request; and,

but are not limited to, the records described by OAR 436-050-0220.

(8) Notwithstanding section (1) of this rule, the director may approve up to two additional claims processing locations, if the self-insured employer can show:

(a) That meeting the requirements of section (1) of this rule will impose a financial or operational hardship on the employer;

(b) That such additional locations will result in improved claims processing performance of the employer; and

(c) That the auditing functions of the director can be met without unnecessary expense to the director.

(9) If, upon review of a self-insured employer's claims processing performance, the performance has not remained at the levels as described in OAR 436-060, approval for additional locations provided in section (6) will be withdrawn.

(10) Notwithstanding section (1) of this rule, a self-insured employer may, with the prior approval of the director, make compensation payments from a single location other than the designated claims processing location. Approval of such a location may be revoked if at any time:

(a) Timeliness of compensation payment falls below the minimum standards as established in OAR 436-060;

(b) Written record of compensation payments is not available; or

436-050-0420 Temporary Worker Distinguished from Leased Worker

(1) A person who provides a worker to work for a client will be considered to be providing the worker on a "temporary basis" only if there is contemporaneous written documentation that indicates the duration of the work to be performed and that the worker is provided for a client's special situation under ORS 656.850(1)(b). Contemporaneous documentation means documents that are created at the time the temporary service provider and the client employer make the arrangements for placement of the worker. Upon the director's request, the documentation must be provided to the director by either the temporary service provider or the client. Contemporaneous documentation in support of workers being provided on a temporary basis includes one or more of the following conditions:

(a) To cover employee absences or employee leaves, including but **not** limited to such things as maternity leave, vacation, jury duty, or illness from which the permanent worker will return to work;

(b) To fill a professional skill shortage, including but not limited to, professionals such as engineers, architects, electricians, plumbers, pharmacists, nurses, or other professions, whether licensed or not, to supplement or satisfy a shortage of that skill for a known duration. Supporting documentation may include license information and whether the worker is supplementing or satisfying a client employer's need for the skill;

(c) To staff a seasonal or sporadic increase in workload, indicated by a temporary increase in demand upon an employer's normal workload that requires additional assistance to meet the demand. When the increased demand ends, the additional positions are eliminated. Documentation must include what constitutes the demand establishing why this special situation is beyond the norm;

(d) To staff a special assignment or project outside of the routine activities of the business where the worker will be terminated or assigned to another temporary project upon completion. For example, a construction contractor may need assistance on a construction site to help clear branches and other debris after a windstorm so the regular construction crew can continue its work. Documentation must describe the project and why it is unusual;

(e) To hire a student worker that will be provided and paid by a school district or community college through a work experience program. Documentation must include the name of the school and the work experience program; or

(f) To cover special situations where the worker has a reasonable expectation of transitioning to permanent employment with the client employer and the client employer uses a pre-established probationary period in its overall employment selection program. Documentation must include copies of the client employer's written program or other evidence supporting the pre-established probationary period and overall employment selection program.

(2) If a person provides workers, by contract and for a fee, to work for a client and any such workers are not provided on a "temporary basis," that person will be considered a worker leasing company.

(3) If a person provides both leased workers and workers on a temporary basis, that person must maintain written records that show specifically which workers are provided on a

temporary basis. If the written records do not specify which workers are provided on a temporary basis, all workers are deemed to be leased workers.
