

MEMORANDUM

February 14, 2019

To: Fred Bruyns, Rules Coordinator

From: Juerg Kunz, Medical Policy Analyst

Subject: Appendix B

Proposed Appendix B erroneously lists CPT[®] codes 80300 and 80301 as valid CPT[®] codes. However, these two codes are no longer listed as valid codes in CPT[®] 2019.

WCD intends to correct this error by removing CPT[®] codes 80300 and 80301 from Appendix B when filing notice of the permanent OAR 436-009 with the secretary of state.
