

MEMORANDUM

January 23, 2017

To: Fred Bruyns, Rules Coordinator

From: Juerg Kunz, Medical Policy Analyst

Subject: Billing code for services provided by certified interpreters

The division proposes to establish a separate maximum payment amount for interpreter services provided by a health interpreter certified by the Oregon Health Authority.

In order to identify interpreter services provided by certified interpreters, the division should establish a separate billing code to codify interpreter services provided by certified health care interpreters.
