TRANSCRIPT OF PROCEEDINGS

Fred Bruyns:

Good afternoon and welcome. This is a public rulemaking hearing. My name is Fred Bruyns, and I'll be the presiding officer for the hearing. The time is now 2 PM on Monday, Aug. 17, 2020. We are conducting this telephone hearing from the Labor & Industries Building, 350 Winter St. NE, in Salem, Oregon. We are making an audio recording of today's hearing.

The Department of Consumer and Business Services, Workers' Compensation Division proposes to amend chapter 436 of the Oregon Administrative Rules, specifically division 9, Oregon Medical Fee and Payment Rules. The department has summarized the proposed rule changes and prepared an estimate of fiscal and economic impacts in the notice of proposed rulemaking. This notice and proposed rules with marked changes are available on the division's website.

The Workers' Compensation Division: Filed the notice of proposed rulemaking with the Oregon Secretary of State on July 10, 2020; mailed the notice to its postal and electronic mailing lists; notified Oregon legislators as required by ORS chapter 183; and posted public notice and the proposed rules to its website.

The Oregon Secretary of State published the hearing notice in its Oregon Bulletin for August of 2020.

This hearing gives the public the opportunity to provide comment about the proposed rules. In addition, the division will accept written comment through and including Aug. 21, 2020, and will make no decisions until all of the testimony is considered.

Close quotes.

We are now ready to receive your testimony. Before you testify, I will record your name, and your organization, if any, and I will add you to our testimony sign-in sheet.

Does anyone wish to testify at this time?

Hearing no one, for the record, no additional people or no people wish to testify at this time.
